

# DOING MORE WITH EVEN LESS

## Ingres Users Association

### Annual Conference 2009

Tuesday, 9<sup>th</sup> June 2009 from 9:00AM

University of Westminster

35 Marylebone Road

London NW1 5LS

Dear Colleague,

I am delighted to invite you to the full-day **Ingres Users Association Conference** on **Tuesday 9<sup>th</sup> June at the University of Westminster**, London. This year's conference focuses on the challenge of wringing ever-more value from ever-smaller budgets, using the best enterprise open source software available.

You will hear first-hand about the business and technical direction of Ingres and OpenROAD from speakers such as President and CEO **Roger Burkhardt**; SVP of Worldwide Engineering **Bill Maimone**, and Senior Product Manager **Christine Normile**. You will also hear from **Dr. Ian Howells**, Chief Marketing Officer at Alfresco, and Red Hat's Regional Director for the UK, **Phil Andrews**. Most importantly of all, you will also be able to choose up to four further sessions from a long list, delivered by your colleagues from other organizations who are using Ingres to "do more with even less".

Roy Hann  
Chair, UK Ingres Users Association

*PS: To attend this event **FREE**, there is still time to submit a proposal for a presentation. Speakers receive free registration. Proposals may be submitted in any reasonable format to [glenn.allan@iua.org.uk](mailto:glenn.allan@iua.org.uk), but hurry, the extended deadline is May 11th.*

*PPS: I can promise you there are going to be some announcements at the conference that you won't want to miss.*
